

# Standard Warranty

This warranty only applies to the original purchaser for private, **NON-COMMERCIAL** use, and to the vehicle in which the product was originally installed and / or used and is not transferrable. In the event of a warranty failure, Automotix will repair, replace, or refund the purchase price, at our discretion. Warranties are limited to the retail price paid for the product and begin from original purchase date. Product must be installed within the first 30 days. Labor is not considered or offered on any salvage product. The warranty is limited to part replacement only.

We protect your investment with a 12-month guarantee against mechanical product failure due to defect. At its option, Automotix will replace or refund the purchase price of the part in the event of a failure. Automotix reserves the right to replace failed parts with equal to or greater than original mileage parts. The mechanical parts warranty begins on the date the part was purchased from Automotix as indicated on Automotix's invoice and ends 12-months later.

## The Standard Parts Warranty excludes:

Breakdowns caused by non-covered components, improper installation, failure to clear computer codes, defective workmanship, usage for which the part was not intended and/or improper maintenance (e.g. using the incorrect types and levels of fluids and lubricants as outlined in the vehicle's "Owner's Manual").

## Standard Warranty Statement: All Warranties Are Null And Void If

# Standard Warranty

## Standard Warranty Statement: All Warranties Are Null And Void If (Cont'd)

- Refer to the vehicle manufacturer's "Owner's Manual" for correct operation and maintenance schedule.
- This part may have accessories that are attached, and must be switched or removed to accommodate proper installation, which is the responsibility of the installer. Such accessories have been included to aid in the convenience of installation and are not covered by this warranty. Engine warranties are limited to defects in the block, heads, pistons, crankshafts, camshafts, rockers and oil pumps. All other parts that may be provided are "Accessories and Extra Parts." No warranty is provided for any such parts that are attached, including parts such as switches, sensors, cables, electronics, belts, hoses, water pumps, and manifolds.
- Any "Recommended Installation Procedures" provided by Automotix must be followed by the installer to maintain warranty coverage.
- This warranty does not cover freight costs or similar damages.
- We are not responsible for injury or damages during, or as a result of, the installation of our product.
- Timing belts, water pump, thermostat, spark plugs, fluids and seals are routine maintenance items and should be replaced at the time of installation and at the vehicle manufacturer's recommended service intervals.
- Proper operation of the cooling and electrical system must be checked during the installation of products that can be affected by those systems.
- While most fluids have been drained from our products, it is your responsibility to completely drain and replace fluids, lubricants, antifreeze, and filters with replacements that are fresh, clean and approved by the vehicle manufacturer.
- Tie rod ends, ball joints, wheel bearings, and bushings related to steering and suspension components are not covered by our warranty and should be inspected and replaced as needed by the installer.
- In the Event of Failure: The purchaser must use all reasonable means to protect the product from further damage and must return the original defective product to Automotix. The purchaser must furnish Automotix with such information as Automotix may reasonably require, including proof of the vehicle's regular maintenance as recommended by the vehicle manufacturer in the owner's manual.

\*This warranty is non-transferable and therefore only applies to the vehicle in which the product was originally installed in for private, NON-COMMERCIAL use only.
